

Competitor Bulletin #2017-07

To: All American Flat Track Competitors
Date: May 7, 2017
Effective Date: Immediately
Subject: George Roeder Memorial Dash for Cash

The event format for American Flat Track races was developed to provide a more compelling on-track product for fans. With the new format, each rider's success is directly connected to their performance on the race track in each session.

As a safety measure, the event schedule for the Lima Half-Mile requires a 30-minute break for the sun to set.

Based on these factors, discussions between AFT and the promoter of the Lima Half-Mile included a plan to eliminate any non-competition races from the event schedule. However, after taking soundings from the Advisory Group and fans, AFT and the promoter have decided to make adjustments to the event schedule in order to include the George Roeder Memorial Dash for Cash.

The event schedule for the Lima Half-Mile will be posted to American Flat Track's website as soon as it has been finalized.
