

2020 DUNLOP TIRE TEST – UPDATE

WHAT: 2020 Dunlop Tire Test at Volusia Speedway
WHERE: Volusia Speedway, 1500 East State Road 40, DeLeon Springs, FL 32130
WHEN: Tuesday, 12/8 – Wednesday, 12/9

American Flat Track would like to confirm that the scheduled Dunlop Tire Test at Volusia Speedway is an invite-only, closed test. Unlike previous open testing days, the purpose of this test is specifically to work directly with Dunlop, the series tire partner, to provide a structured testing event that delivers data to help determine the best tire combinations for the future.

At this time, all team entry spots for this event have been confirmed.

Due to current global circumstances, the test will not be open to non-invitees or the public and it'll be necessary to follow all Covid-19 protocols that were followed for all the 2020 series events, including pre-registration, an event roster and medical screening. You will be able to follow the daily developments and team participation via all American Flat Tracks social media outlets.

Please direct any questions to AMA Pro Racing's David McGrath @ dmcgrath@amaproracing.com.

The following Teams are scheduled to attend:

Indian Motorcycle
Rogers Racing
Vance & Hines Racing
Coolbeth Racing
Estenson Racing
Roof Systems Racing
Latus Motors Racing
Red Bull KTM
American Honda
Royal Enfield / Moto Anatomy
Wally Brown Racing
