

Flat Track Tire FAQ:

Q: What Tires and Compounds are Eligible?

A: Only DUNLOP DT3 tires are legal

Front DUNLOP DT3 130/80-19

Rear DUNLOP DT3 140/80-19

Eligible Compound are as follows:

AFT Twins:

Front Tire: All Tracks- Dunlop DT3 130/80-19 compound **F5**

Rear Tire: Short Track and TT- Dunlop DT3 140/80-19 compound **R5** or **R8**

Rear Tire: Half-Mile and Mile - Dunlop DT3 140/80-19 compound **R8** or **R10**

AFT Singles

Front Tire: All Tracks- Dunlop DT3 130/80-19 compound **F5**

Rear Tire: Short Track and TT- Dunlop DT3 140/80-19 compound **R5**

Rear Tire: Half-Mile and Mile - Dunlop DT3 140/80-19 compound **R8**

Exceptions: For Charlotte, Lima, and Black Hills Half-Miles, AFT Twins will be using R8 exclusively. For Phoenix, Sacramento, and Oklahoma City Miles, AFT Twins will be using R10 exclusively. AMA Pro Racing reserves the right to mandate one compound choice at any specific event.

Q: How much are these tires?

A: Prices are the same trackside (plus sales tax) or Online (plus shipping)

Front 130/80-19 \$155

Rear 140/80-19 \$170

NOTE: For the 2017 season, at events where Twins competitors have an option for rear tires compounds, a special discount will be extended on trackside sales at that event subject to certain rules and regulations, see attached "Rear Tire Discount Program Notice"

Q: Where do I buy tires?

A: Race Tire Service is the supplier and there are 3 ways to purchase:

- 1) Trackside at and AMA Pro American Flat Track event. See our service truck under the 10x10 Dunlop Tent.
- 2) Via our website www.dunlopracing.com
- 3) Call us directly 800-772-TIRE (8473)

Q: Can I exchange tires or compounds?

A: No. Since this is a spec tire, once it leaves our custody it's your tire.
