**RE:** 2018 American Flat Track Series Rider Baseline Testing Requirement

All riders in the American Flat Track Series are required to have completed a neurocognitive baseline ImPACT test/assessment from ImPACT Applications, Inc. within the last two years. This test is a mandatory part of the Competition License application and must be completed before a license will be issued. The test must be performed by a healthcare provider who is a Credentialed ImPACT Consultant (CIC). To find a provider near you, see [http://www.impacttest.com/find\\_care\\_provider](http://www.impacttest.com/find_care_provider). In the "Find A Care Provider In Your Area" section, use the drop down menu for "Select Provider" and choose "CIC".

### **Where do I get a baseline test?**

1. From any credentialed ImPACT consultant listed on ImPACT's website [http://impacttest.com/find\\_care\\_provider](http://impacttest.com/find_care_provider),  
OR
2. From Provider of your choice.

### **What do I send to AMA Pro Racing?**

Riders will need to complete the AMA Pro Racing Baseline Testing Submission form and follow its instructions. If you have any questions, please contact the Competition Department at 386-492-1014.
